Use this contact list for any questions, comments, complaints, quibbles, or clarifications you may have relating to your trivia night, or for any employment-related things. **Your primary point of contact will be the Host Manager**, but continue down the list if they are not available.

Note: **Questions about paychecks, PTO balance, reimbursement et al should be sent to payroll@triviamafia.com.**

On the night of hosting, you can **reply-all to the questions email** to get thoughts from your fellow hosts.

You can **call the On-Call person** for your event's day (Mary Kate and Brenna cover Friday-Monday; Tuesday is Charles Spolyar, Wednesday is Richard Thorson, Thursday is Marcus Woodard). You can also contact **AV Expert Davis Steen** via Slack or [email](#).

You can **post in the Host Slack** under the channel that matches your issue, whether it be [#answer-app](#), [#avtroubleshooting](#), [#content](#), [#initialsgame](#), [#social-media](#), [#sub-needed](#), or [#general](#).

If you're hosting a **Private Event**, you can use the [#privateevents](#) channel in Host Slack, email Richard or Greg or events@triviamafia.com, or any of the On-Call team (if it's the day of the week they are on).
